Hola a todos.

Soy un asiduo de los foros y aunque no practico el baile deportivo, si que bailo social y me encanta todo este mundillo. He de confesaros que mi pareja y yo no pertenecemos a la escuela de Baile Pilar Torcal y Jan Moller, y de no ser por alguna fiesta a la que vamos con unos amigos que bailan con ellos, y de las competiciones en Zaragoza, tampoco tenemos mas contacto con ellos que los saludos y el como va todo.

Si que es verdad que me he "empapao" de todo el asuntillo de la competición de Zuera, a la que asistimos, y ya después de leer la carta de la presidenta de los Armonias, o hablo o reviento. Hace falta ser sinvergüenzas, ella y toda su corte, ¿ a quien quieren engañar?, desde luego a mí no. Zaragoza, en cuestión de baile, es un pueblo en el que ellos son archiconocidos y no exactamente por sus "limpiezas y lindezas", y encima pretenden hacernos comulgar con ruedas de molino.

Los que estuvimos allí, ya lo vimos ya , a revuelta de las parejas de esa Escuela, pero pasmaos..... no apoyaban la competición bailandono, estaban haciendo labor de PROFESORES y según informaciones se permitían el lujo de criticar la labor de sus entrenadores, claro por no hablar de ZAPATONES que como de costumbre hizo la competición a Dios. Probablemente estaban haciendo de PROFESORES EN PRÁCTICAS, sobre todo la seña Benito, para su escuela en Cuarte de Huerva.

¡Que agudo fue el Asensio! y que arto estaría de ellos para quitárselos del medio, aun perdiendo los euros que tanto le gustan.

De verdad estos engréidos van a lograr que en cuanto oiga o lea la palabra ARMONIA me entren ganas de vomitar. Me queda conocer cual es el "estilo Pilar", pero me da a mí que el ladrón piensa que todas son de su condición o ¿no?. Bueno os dejo y seguro que hasta pronto porque como dice uno:" SE PUEDE CONFIAR EN LAS MALAS PERSONAS, NO CAMBIAN JAMÁS"

A si es.

Con el "manifiesto" que los 8 han dado como suyo (por unanimidad) han demostrado a muchos muchas cosas.

La carta que Pilar y Jan dirigieron a la AEBDC estaba dedicada en practicamente su totalidad a la labor del delegado de la AEBDC en Aragon. Unicamente mencionaba a socios del delgado en muy pocas palabras.

Y no mencionaba que socios de los muchos que tiene el delegado.

El texto por el que estos socios se podian dar por mencionados fue este:

---

".....que lejos de fomentar este deporte en Aragón se dedica, junto a sus socios a sembrar la discordia y el chantaje entre las Escuelas y los competidores."

Ya esta perfectamente claro, lo han dicho los 8 con su manifiesto, quienes son los siembran la discordia entre las escuelas y chantajea a escuelas y competidores de Aragon y de España.

¿LECCIÓN DE FAUNA?

Visitando el entretenido blog de un conocido internauta, cuando me parecía estar leyendo un artículo tipo "Rodríguez de la Fuente", de repente me doy cuenta de por nos estaba dejando pistas para visitar la página de un "peculiar" club de baile, sobradamente conocido por su también "peculiar" estilo. Ese manifiesto de la señora presidenta no tiene desperdicio. Solo una persona sin educación y sin escrúpulos es capaz de redactar sola o acompañada semejante documento.

Pilar, no se si habrás tenido ocasión de leerlo, pero conociéndote me imagino que no, ya que nunca le dedicas un segundo a una persona que hace tiempo que ha demostrado con sus actuaciones y con sus hechos que ha perdido el norte, pero a lo mejor alguien te lo comento, por lo que si me lo permites tanto Jan como tú, os voy a dar un consejo:

Seguid dándoles la misma importancia que les habéis dado hasta ahora; o sea: NINGUNA.

Solo cabe pensar que , presuntamente puede estar desequilibrada y presuntamente necesite ayuda psicológica.

¡Ah! Y seguid fieles a vuestro "estilo" preocupándoos por vuestras parejas y amando el baile tal y como habéis demostrado.

He visitado vuestra pagina y os felicito por los próximos entrenadores internacionales que vais a traer a Zaragoza, seguid dedicando vuestro tiempo a ello y olvidar a ciertas personajes que no buscan mas que protagonismo a fuerza de promover conflictos para darse publicidad.

Un abrazo de una amante de baile.

¿Como que manifiesto de la Sr. Pilar?. No no, de ninguna manera.

En el primer parrafo del papelo pone que "Como Presidenta de ARMONÍA Club de Baile, hago público el siguiente MANIFIESTO, que ha sido aprobado por UNANIMIDAD y firmado por todos los componentes de nuestro Club."

Y como minimo los socios que firman el manifiestazo son los que aparecen ahi como directiva o como faltos de

conocimiento.

Presuntamente si que puede necesitar ayuda psicológica, pero lo que es seguro es que necesita alumnos para la escuela.

De todas manera el aviso sobre la la fauna corvida aragonesa en las altiplanicies y bajoalturas de Cadrete creo que debería de haberlo repartido por las calles y pueblos de Aragon. Ya veras como aparecen cualquier dia aparece intelectualmente por ahí (Cuarte o Cadrete) algunos despistados, y cuan alegres caperucitas, y que picotazos se llevaran aparte claro de algun otro manifiestazo pedorrero si se quejan.

Hola! Me estaba planteando empezar a hacer bailes de salón. He dado una vuelta por algunos foros que me habían dicho para ver en qué consiste todo este mundo, y ver si me interesa.

La verdad es que me ha decepcionado un poco ver que en aquellos mensajes que más se visitan no hay información importante, sino tan sólo insultos contra no sé qué delegado, y no sé qué asociación.

No entiendo nada de lo que decís, pero creo que para una persona como yo, que estaba decidida a aprender a bailar, este tipo de foros no sólo no le aportan información y motivación, sino que le desaniman para meterse en un mundo en el que parece que los insultos están a la orden del día.

No sé de qué irá la historia pero para mí los bailes de salón serían un hobby, y no un quebradero de cabeza como lo es para ustedes.

Espero que si algún día me decido, no llegue a estos extremos y pueda disfrutar del baile sin criticar al vecino.

Me parecía un mundo muy bonito y artístico, pero veo que es como todo. En todos sitios hay quien se dedica a criticar a los demás en vez de disfrutar de lo que se supone que es una actividad divertida.

Os aseguro que si al final me decido, intentaré mantenerme al margen de todas estas historias que prefiero no saber, y disfrutar de lo que creo que son los bailes de salón. Una diversión y un hobby para pasártelo bien.

Un saludo a todos! MÁS BAILAR Y MENOS RABIA!!!
