El pasado día 23 aparecia publicada en

<http://www.farodevigo.es/secciones/noticia.jsp?pNumEjemplar=2656&pIdSeccion=18&pIdNoticia=69088> la noticia de que mañana (el proximo sabado decian en la noticia) se celebraria el II Trofeo Vila de Cangas de Baile Deportivo por la tarde en el pabellón de O Gatañal.

He mirado por ahi y tanto en la pagina del calendario de competiciones de la AEBDC como en la pagina de la Escuela Pasos no aparece nada sobre esta competicion.

¿Es una competicion de social?, ¿se ha anulado?, ¿es un error de la redaccion en el Faro de Vigo?, ¿es publicidad de la Escuela o del Concejal del PP del Ayuntamiento de Cangas?....¿¿¿

Tienes razón aunque el problema no es de Google, es del Faro de Vigo. Al seguir el enlace hacia la noticia aparece la noticia original pero la cabecera de la página, generada dinámicamente, muestra una fecha reciente. Hoy a mí me aparece como 28 de Octubre.

Es un problema de la mala utilización de las páginas dinámicas que los programadores y/o editores podrían subsanar. Yo he notado otro efecto, éste no subsanable, y es que es casi inútil pretender realizar en internet una búsqueda, sea con Google o con otro buscador, utilizando una opción de ventana temporal. Si restringes la búsqueda a páginas actualizadas en el último mes por ejemplo siguen apareciendo páginas con años de antigüedad porque son generadas en el momento de la búsqueda o en el de la última indexación del buscador y todas tienen fecha de actualización reciente. Sólo las páginas en html puro funcionan, y cada vez son menos. Incluso algunas de éstas pueden ser "refrescadas" aunque la información no varíe por un generador automático con cierta periodicidad. Un asco.

Re:II Trofeo Vila de Cangas

Gracias Alfonso.

Seguramente es por el motivo que dices. De generacion de paginas web sigo sin tener mucha idea.

Si que es cierto que al comprobar que esta competicion no aparecia en el calendario y que si aparecia una llamada "II Trofeo Concello de Cangas", de nombre parecido pero no igual y celebrada el 17 de junio, empece a sospechar de algun posible error.

Esta sospecha me llevo a comprobar la noticia de diferentes fuentes de internet y a emplear diferentes navegadores despues de actualizarles la cache; pero Google siempre me volvia a dar el 23 de octubre como fecha de su publicacion. Finalmente opte por comprobar la noticia en la hemeroteca de el Faro de Vigo y aunque en el enlace pone la fecha de publicacion cuando picas en el aparece la fecha actual.

Y claro... como resulta, ademas, de que a este concejal, el Sr. Gestido, parece que le cuesta tiempo hacer las cuentas de algunos eventos y de que, algunos sospechan (BNG) que en alguna ocasion parte importante del dinero de alguno de estos eventos "se empleo en propaganda, viajes y comidas" pues ya estaba yo pensando mal.

Nada, mejor asi. Y espero en la proxima ocasion, Campeonato de España Latinos, el Sr. Gesteido presidente de la Fundacion del Ayuntamiento que anuncia y dice que organizara el Campeonato se lucira en todos los aspectos y para la ocasion despues de haber conocido, de primera mano, como se hacen estas cosas y en la playa.
