
CTO ESPAÑA 10 BAILES 2007

Publicado por Rober - 11-02-2007 22:29:03

Acabo de enterarme de los resultados de algunas de las parejas gallegas en el recién finalizado campeonato de España de los 10 bailes y no puedo por menos que felicitarles. Creo que es una gran noticia para el baile gallego el obtener estos grandes resultados.

Adrián y Patricia han quedado 4º en Youth.

Fernando y Noelia han quedado 3º en Junior I.

Y tanto Cristian y Sonia como Trillo e Ingrid han llegado hasta la semifinal en Adulto.

Desde mi modesto punto de vista creo que es un gran éxito para el baile gallego, aun desconociendo los resultados de otras parejas gallegas participantes.

Felicidades a todos ellos.

Mi enhorabuena también para los gallegos. Parece que los jueces empiezan a ver a otras parejas que no sean siempre las mismas.

En otros foros, en concreto en uno donde se alardeaba de no hacer publicidad, parece que no sentó bien a algunas personas que las parejas gallegas hayan obtenido buenos resultados. Quizás se pasaron el tiempo viendo a otras. Eso suele pasar. La gente progresa y no se puede estar siempre juzgando nombres, sino bailarines que van mejorando le pese a algunos.

Es increíble como le cuesta a alguna gente asimilar que España existe, que se pueden celebrar campeonatos en otros sitios y que gente que no sean catalanes puedan meterse en semifinales, finales o ganar campeonatos de "España".

Animo, gallegos.

Alan Winter -Dinamarca-
Waldemar Ziomek -Polonia-

Una vez publicados los resultados tenemos que mencionar también el estupendo 5º puesto de Antonio y Gloria en Senior. Con esto creo que redondeamos una actuación histórica en campeonatos de España. Metiendo gallegos en casi todas las semifinales y/o finales. Esperemos que esto vaya a más.

Por otra parte comentar que Cristian y Sonia han obtenido finalmente el ¡7º puesto!, a muy poco de entrar en la final en Adulto. Trillo e Ingrid tampoco estuvieron lejos puesto que quedaron 9º. Felicidades una vez más.

Adrián y Patricia quedaron incluso segundos en un par de bailes estándar, pena de latinos...

Por otra parte, la final de Fernando y Noelia estuvo, a tenor de los resultados, muy reñida, puesto que los tres primeros están en un pañuelo. Cualquiera de los tres pudo haber ganado.

En fin, a la vista de esto, ánimo y a seguir trabajando, especialmente los bailes latinos que es donde, prácticamente todas las parejas han obtenido peores resultados. Felicidades a todos.
