He publicado unas fotos del III Trofeo Sondodance. Como siempre para usuarios registrados. Podéis ponerlas un poco más claras con cualquier programa de retoque si no las veis bien. Lo de los ojos rojos... en fin, intento manejarlas con la cámara. :blush:

Las tenéis en la Galeria:

Los ojos rojos (que siempre me recuerdan a la chica de la peli el Exorcista) yo los quito con el programa Jasc Paint Shop Photo Album(TM) v5.2.2. Me los pone en tonos de grises pero quedan mejor que en rojos chillones. Supongo que habra mas programas.

Saludos
