De momento, y segun dicen en la web de la AEBDC, lo que han formado entre 16 socios\* es una nueva asociacion llamada " Agrupación Española de Clubes de Baile Deportivo y de Competición ".

Nada nuevo bajo el sol de la AEBDC excepto claro, la demostracion palpable de que desde dentro se estan haciendo rancho aparte y sin contar y sin informar de ello con antelacion a los socios de la AEBDC.

¿A ti te han preguntado por los estatutos, por ejemplo, o a que se van a dedicar?.

Sigo opinando, Ricardo, que todo lo que se haga está siendo ya muy tarde. A mi, por ejemplo, ya no me toca disfrutarlo como competidor. Pienso que con los medios existentes tanto ahora como antes esta agrupación pudo haberse hecho hace mucho tiempo (la ley es del 91). Y 16 clubes de distintas comunidades los había y muchos más. Ahora bien, si esto es un paso en firme para no dilatar más el proceso, bienvenido sea.

Creo que nunca es tarde Rober. Hay gente joven que este mismo fin de semana empezaran a competir con el reglamento de la AEBDC, y si ganan les puede tocar que les de el trofeo el Sr. Vaño o el Sr. Freitag. No se merecen ese trato. Nosotros, por lo menos, tendremos mas suerte. Ya no nos tocara esa dicha embriagadora. :P

Personalmete, como sabes, tambien llevo ya 12 años oyendo la misma sonaja de la Federación y esta nueva actuacion con la creacion de esta Agrupacion Española de Clubes me lleva a sospechar que lo seguire oyendo, y leyendo, durante varios años mas, como minimo.

El proceso de creacion de la Federacion Deportiva Española de Baile Deportivo lleva una dilatacion en el tiempo que no se la debe de creer ni el Sr. Robles que, dios no lo quiera, puede llegarle hasta a que lo herede su sucesor en el cargo. En la asamblea general de 1999 el asesor jurídico que presentó la Junta Directiva Presidente Sr. Freitag parece que afirmó que en un año podía conseguir que la AEBDC se convirtiera en federación deportiva (<http://65.108.235.215/mociodecensura/critica2.html>).

Efectivamente, la creacion de una Agrupacion de Clubs ya era posible en el año 2000 donde solo en Cataluña habia 14 Clubes, y segun dijo el Sr. Robles, por eso ahora suena extraño que lo que el Sr. Freitag como presidente de la AEBDC no hizo en el 2000 ahora lo apoye como presidente del IDSF. Raro...raro...raro.

En estos momentos podrian haber optado por la creacion de la Federacion Española. porque para ir por el procedimiento de Agrupacion hacen falta 65 Clubes de 6 Comunidades Autonomas y solo en Cataluña hay actualmente 37 (que por cierto no se como no estan todos como fundadores), pero no lo han hecho asi y tampoco me creo que si el Consejo Superior de Deportes les aprueba la inscripcion de la Agrupacion el Sr. Vaño o el Presidente de esta nueva asociacion coordine y sujete su gestión con y a lo que determine una proxima Federaciones Catalana.

En el comunicado del Sr. Vaño sobre la firma de la fundacion de esta Agrupacion tambien anuncia que "En los próximos días, a través de esta misma Web, estará a disposición del resto de Clubes de Baile Deportivo de todas las Comunidades Autonómicas donde están reconocidos, el formulario de adhesión a la Agrupación que podrá realizarse en las propias localidades" asi que creo que, los que quieran optar por el camino del deporte oficial deberian de esperarse antes de firmar ninguna adhesion a lo siguiente:

Ver el documento del Consejo Superior de Deportes donde se pueda comprobar fehacientemente que la Agrupacion que pide la adhesion esta registrada y ha sido reconocida por el C.S.D. y que los estatutos de la Agrupacion coinciden con los intereses del Club.

En los estatutos de una Agrupacion Deportiva deberá de constar, como mínimo, las menciones expresadas en el artículo 17.2 de la Ley del Deporte, que son:

- a) Denominación, objeto y domicilio del Club.
- b) Requisitos y procedimiento de adquisición y pérdida de la condición de socios.
- c) Derechos y deberes de los socios.
- d) Órganos de gobierno y de representación y régimen de elección, que deberá ajustarse a los principios democráticos.
- e) Régimen de responsabilidad de los directivos y de los socios, en las condiciones que reglamentariamente se establezcan. En cualquier caso los directivos responderán frente a los socios, el Club o terceros, por culpa o negligencia grave.
- f) Régimen disciplinario.
- g) Régimen económico-financiero y patrimonial.
- h) Procedimiento de reforma de sus Estatutos.
- i) Régimen de disolución y destino de los bienes, que en todo caso se aplicarán a fines análogos de carácter deportivo.

Resumiendo, que en este momento historico que nos ha tocado vivir, dicen, lo aconsejable para los deportistas es que primero les enseñen la patita. Que ya vale de fe, ahora antes de adhesiones inquebrantables papeles y comprobantes, no vaya a pasar como con las cuentas de gastos del 2006 y al final vaya todo junto.
