## Mira quien baila Eurovisión!

Publicado por swivel - 10-06-2007 14:15:45

---

A petición de Muñeca, queda inaugurado el tema. ;-)

Por cierto, este lunes creo que tendremos de nuevo en acción a :

Isaac y Desiré,  
Rober y Judit,  
Miguel y Cristina  
Abraham y Amagoya  
Marc y María

Me imagino que de aquí eliminarán a una, no?

No sé muy bien como funciona la dinámica del programa. :-(

=====

## Re:Mira quien baila Eurovisión!

Publicado por Muñeca - 10-06-2007 18:46:32

---

Gracias :cheer:

El jurado les puntua a las 5 parejas de 1 a 5 , y se hacen 3 duelos.

Luego las 2 parejas que tienen mayor puntaje pasan directamente a otra ronda, las otras 3 vuelven a bailar y el público elimina a una.

Veremos que pasa este lunes pero me parece que habra nivel.. y es una pena que haya poca audiencia, a lo mejor es mas atrayente ver famosos haciendo el payaso (algunos) que a verdaderos profesionales del baile.

:kiss: :P

Entonces... ahora quedaron cuatro de esta semana y cuatro de la próxima. ¿Cómo va a ser la siguiente fase con ocho parejas?. :whistle:

## Re:Mira quien baila Eurovisión!

Publicado por Perfil - 12-06-2007 01:06:18

---

Resulta impresionante que la pareja, que sobre el papel, podría representarnos mejor en un campeonato de muchos bailes, y a los hechos me remito (campeones de España de 10 bailes en varias ocasiones), haya quedado eliminada en un penoso Mira quien bail Eurovisión del día 11 de Junio, en el cual el Jurado la ha cagado por los cuatro costados permitiendo que esta pareja "cayese en manos del público" (recordemos que "el público" no tiene que tener idea de baile, simplemente vota por afinidad, y muchas veces incluso por llevar la contraria). Bien es cierto que Desireé se enganchó un zapato en el chacha, pero no lo hicieron tan mal como para obtener esas puntuaciones en Chacha y en Jive. El público ha demostrado una vez más sus preferencias en este programa y no son otras que el entretenimiento puro y duro, y desde mi punto de vista la pareja que más se lo ha currado en innovación y trabajándose coreografías originales que tuvieran que ver en todo momento con la música han sido Robert y Judit. Enhorabuena para ellos, que desde mi punto de vista, se lo han merecido, incluso casi casi, haber estado por delante de Marc y María. Por lo que respecta a Abraham y Amagoya, han bailado un chacha bestial. Abraham, muy revolucionado, pero controlado en todo momento (a veces uno no sabe si esta gente se toma litros de cafeína antes de salir a la pista). Por lo que respecta a las otras dos parejas, Marc y María han sido regulares, pero su baile no me pareció especialmente interesante, técnico, vistoso, y poco más. Por lo que respecta a Cristina y Miguel, me han parecido los más flojillos y los que deberían haberse ido a casa. Es más, ni ellos mismos se creían el seguir en el programa.

Por cierto, a lo mejor sería más justo que en vez de tres bailes pusiesen dos, uno estándar y otro latino, porque de esta forma dependiendo el día que te toque lo dejas todo al amparo de la suerte, y lo que es peor, del público. Aunque

---

realmente no sé muy bien quién va a votar en Eurovisión, porque si lo va a hacer exclusivamente el público creo que los participantes que quedan van a tener que dejar el estiramiento del baile deportivo a un lado y sacar a escena sus dotes para el show y currarse mucho mejor las coreografías.

Otra cosa que no sé es si en ese Eurovisión del baile les permitirán prepararse un tema o tendrán que improvisar lo que les pongan. En fin que tenemos ocho parejas, hagan sus apuestas, que tal como están las cosas y dependiendo de cómo se vote en la final podemos tener más sorpresas. Yo me voy a mojar, y voy a dar una clasificación, no pensando en los que bailan mejor, porque sino la clasificación sería otra bien distinta, no, sino pensando en las características del programa, con esa extraña ponderación entre los curiosos gustos del jurado y los lógicos del público (más que los del jurado), los mejor situados son, desde mi punto de vista:

1º.- Amagoya y Abraham

2º.- Judit y Robert

3º.- Ingrid y Trillo

4º.- Lorena y Pol

5º.- María y Marc

6º.- Masha y Nicolas

7º.- María y Jordi

8º.- Cristina y Miguel

PD: Aún no me creo lo de Isaac y Desirée, en fin, mejor, así esto tiene más emoción...:evil:

:~)

Sí, y de los que dices solo Marc y Maria, Trillo e Ingrid y Miguel y Cristina figuran a día de hoy decentemente clasificados en los dos ranking de la AEBDC. Los demás solo en latinos o estandar (robert y judit), o en ninguno (pol y lorena). Creo también que el programa está ahora más interesante porque ya nada es previsible como en la mayoría de competiciones y opino como perfil que los participantes tienen que pensar más en bailar y menos en competir. Y atención a rober y judit que sin competir en latinos a mí me parecen una pareja muy interesante y a tener en cuenta. Son diferentes y eso cuenta mucho.

=====

## Re:Mira quien baila Eurovisión!

Publicado por Muñeca - 20-06-2007 23:45:49

Hola :P

Espero que esta vez salga el comentario porque la semana pasada he escrito varios mensajes y ninguno me salió :unsure: .

Que opináis de la eliminación de Trillo y Ingrid?? a mí personalmente me hubiera parecido mejor que se quedaran ellos pero bueno...

Pol y Lorena pasaron por el jurado aunque yo pensaba que no llegaban con los puntos porque hubieron bailes que no los puntuaron con mucha nota.

Saludos.

## Re:Mira quien baila Eurovisión!

Publicado por Perfil - 21-06-2007 15:00:13

Pues más de lo mismo. Los jueces de competición votando competición y los demás lo que les da la gana. El público votó la simpatía de "campanilla" y su pareja y la rapidez de Larionova.

Por lo que respecta a Trillo, no estuvo mal el pasodoble, sobre todo él, pero las coreografías del resto de bailes eran muy, muy sosas y esta vez, y aunque el jurado votó la técnica y posición del vals inglés, al público, creo que las

coreografías le parecieron tediosas, una pena...

POI y Lorena en su línea, rápidos en latinos, y con los agradables comentarios del jurado, que eso siempre ayuda, para eso trabajan en la casa. A este paso, la cosa se va a decidir entre ellos y sus compañeros en el programa, Amagoya y Abraham, si antes no se separan definitivamente ambas parejas tal como se comenta...

Pero cuidado, el público está con parejas simpáticas y humildes y eso es una buena baza si son ellos quienes eligen al final, así que cuidado con Robert y Judit y Jordi y María, que aunque son, desde mi punto de vista, las parejas más "verdes" de las que quedan, tienen una baza muy interesante que jugar...

Hola Perfil :) disculpame pero quien es campanilla?. no se pero me parece que te has equivocado de dia porque Larionova bailo el 11, no el lunes pasado.

En canto al resto, estoy de acuerdo en tu opinion de qe Jordi y Maria , Robert y Judit son mas flojos que el resto de las parejas, pero igualmente son simpaticos y dan bien en cámara. En verdad yo pienso (y quizas pensais que estoy loka) pero cualquier pareja puede ganar porque recordemos que es un concurso en el cual es el publico el que vota (mirar lo que paso con Isaac y Desire, que terminaron eliminados por Miguel y Cristina).

En cuanto a Pol y Lorena : evidentemente en el programa tiran por ellos, lo digo por lo que dijo Poty de que seria buenísimo que hicieran ese paso doble en eurovision y Anne tambien ha dicho que bailan muy bien, etc. En cuanto a Amagoya y Abraham pienso que son una pareja fuerte porque hasta el momento son los que mas duelos han ganado (sumando los dos programas que han estado) y con buen impacto visual; lo que dices que se separan estas dos parejas no lo sabia :ohmy: pero a lo mejor pueden competir igual en eurovision,. Hay otra pareja ke desde mi punto de vista pueden dar una sorpresa y son Nicolas y Masha: son guapos y la gente les esta votando.

Saludos. :laugh:

## Re:Mira quien baila Eurovisión!

Publicado por Perfil - 21-06-2007 21:00:47

Perdón. Me confundí a Masha con Larianova. Donde dije Larianova queria decir Masha Turlupova, uff, es que las dos son rusas...

Campanilla le llamaron en el programa a María la de Jordi.

Yo, personalmente, de los que quedan ahora mismo, y aunque en standard no son muy buenos me quedaría con Abraham y Amagoya. Abraham está en un momento de forma bastante bueno y está un punto por encima de todos los demás.

De todas formas no les he visto todavía bailar salsa o tango argentino a ninguno de ellos y creo que eso es obligatorio en Eurovisión.

Mi opinión acerca del programa de ayer 25 de Junio:

El jurado ya va dejando caer qué le gusta al público, y al público le gusta cualquier cosa que estee más alejada del baile deportivo y por eso, los únicos que se esfuerzan de verdad en conseguir tal cosa de cara al programa son Robert y Judit, que han vuelto a demostrar que curran cada dos semanas coreografías distintas y originales, o sus profesores, si son estos quienes las montan, pues tienen mucho mérito, porque no podemos olvidar que estamos en un programa de televisión donde prima el espectáculo ante la técnica, el show ante la posición, la expresividad ante la energía, y la puesta en escena ante la simple coreografía rutinaria. Ayer en el quick, por momentos, nos trasladaron a los tiempos de Fred y Ginger...

Si de espectacularidad tenemos que hablar me quedo con Abraham, que simplemente está impresionante, pero el show, la originalidad, la expresividad y la puesta en escena la están poniendo Judit y Robert, que creo que son los únicos que saben realmente dónde están, aparte de Abraham.

Los demás, en su línea. La salida de Cristina y Miguel estaba cantada, aunque con el público y ante la reiteración de las parejas por el baile de competición puro y duro todo podía pasar. No sé qué pasaría si Marc y María no hubiesen escogido pasodoble y lo hubiesen hecho Miguel y Cristina... Por cierto, la rusa Larianova creo que está tan centrada en la rapidez y la posición que apenas se acuerda que el cuerpo se puede doblar y que existen otras variantes flexibles a la hora de expresar.

Creo que la clave no está en buscar los puntos de Joanna y Albert, sino los del resto del jurado y el público, por ahí van los tiros, y los que sepan leer esto ganarán el programa.

De momento, Abraham y Amagoya se están apoyando en su espectacularidad en latinos (por cierto, a mi personalmente Abraham me gusta mucho más que Iban Salgado), pero en estándar son pésimos para el nivel del que estamos hablando y por lo tanto no son lo suficientemente completos para representarnos. Tal como están las cosas creo que estos serían los puestos idóneos para este tipo de concurso, ponderando estándar y latinos:

- 1º.- Judit y Robert
- 2º.- Lorena y Pol
- 3º.- Amagoya y Abraham
- 4º.- María y Marc
- 5º.- Masha y Nicolas
- 6º.- María y Jordi

Aunque claro... todo es opinable... :-)

## Re:Mira quien baila Eurovisión!

Publicado por Muñeca - 26-06-2007 16:15:14

---

Hola :P

Ayer a mi gusto fue uno de los programas que mas disfruté, seguramente porque se van quedando las parejas con mas nivel.

Para mi fue justa la votacion tanto del jurado como del publico.

Amagoya y Abraham en mi opinión estuvieron estupendos en latinos (para mi los mejores en esta especialidad de los que quedan) --a cual baile mejor... aunque me quedo con la samba, pero la rumba tambien tiene su belleza en la expresion, y la coreografia. En cuanto a standards no estoy de acuerdo contigo en que sean pesimos Perfil --con respeto lo digo-- pienso que no son muy buenos que digamos pero el tango no lo hicieron tan mal, quizas en otro tipo de standard se note mas que no sean especialistas.

Judit y Robert-- me parecen super simpaticos y dan muy bien a camara, a ellos se les da mas los standard pero hacen coreografias muy curradas y saben (como tu dices) de que va este concurso; que me da la impresion que no todos fueron con la mentalidad puesta en eurodance, que aqui es el publico el que vota y no hay jueces puntuando.

El baile de ellos como siempre tiene mucho de show y me parece correcto ademas son los 2º en 10 bailes, y de ahi se desprende la calidad que tienen.

---

Maria y Marc--otra pareja muy buena, me parecen mejores en latinos que standards. Lo que yo noto es que Maria al tener tanta tecnica pues a veces abusa un poco de los giros --montan coreografias para hacer lucir a ella, no lo veo mal del todo pero a veces preferiria que cambiaran un poco para ver otros movimientos tambien pero son una pareja fuerte. Cristina y Miguel --Sin duda eran los mas debiles de los que quedaban --y quizas uno de los que menos nivel tenian en el concurso--pero igualmente el publico les ha votado y significa que les apoyan y eso es importante. Para mi el fuerte de ellos es standard y en los otros programas cuando bailaron salsa, fue el que mas me gusto de todos.

No se bien como seguira de ahora en adelante, si bailaran los 6 juntos o seguiran dividiendo en 2 lunes.

En cuanto al ranking de Perfil

Yo veo a Pol /Lorena y Abraham/ Amagoya en los primeros puestos, tambien a Judit y Rober. No hago una valoracion exclusivamente de diez bailes, porque si vemos lo que pasa en esta clase de concursos sabemos que el talento es importante pero no es lo unico que vota el publico de Europa. (sino ver eurovision de la cancion).

Saludos :cheer:

Publicado por Perfil - 26-06-2007 18:22:07

---

Hombre, Muñeca, me refiero al nivel en que están todas estas parejas, un nivel A casi S en las dos categorías, y Abraham y Amagoya no estarían en nivel B de estándar ahora mismo. La espalda de Abraham en el tango era totalmente definitoria al respecto. Evidentemente no son pésimos con respecto a otras categorías y han sabido montarse el show para potenciar lo de ellos, pero cuando bailan juntos con todos los puntos de conexión es cuando se notan esas carencias en estandard.

Opino como tu que Maria puede explotar otros recursos que imagino que tiene, pero hasta ahora está explotando lo que mejor sabe hacer y que no es lo que al público creo que le gusta, y en cuanto a Marc creo que tiene que desinhibirse un poco ante las cámaras porque no está bailando mal, me está gustando más que Maria, pero su cara no expresa lo que está bailando.

Creo que el lunes bailan las 6 parejas y se queda una fuera y puede haber sorpresa porque al público le gusta Campanilla y suponiendo que ganen Lorena y Pol y Amagoya y Abraham, que será lo previsto por parte del jurado (si ponen dos bailes latinos), entonces nos quedarían a disposición del público:

Judit y Robert  
María y Marc  
Masha y Nicolas  
María y Jordi

Y con estos resultados apostarí a que una de las rusas se va para casa...

## Re:Mira quien baila Eurovisión!

Publicado por Muñeca - 26-06-2007 19:28:28

---

Si "Campanilla" (me hace gracia :P ) y su pareja son queridos por el publico y son majos. seguramente seguiran pasando, aunque a mi modo de ver son de los que quedan los mas debiles en baile.

En lo que dices Perfil, tengo entendido que Amagoya estaba en la categoria A cuando competia en standards pero hace un tiempo que solo se dedica a latinos ,pero si quisiera volver a comepetir estaria en esa categoria, pero lo que dices es cierto ..les falta como pareja --en esta modalidad --en relacion al resto de los concursantes (aunque Nikolas y Masha no creo que sean mejores que ellos).

No me atrevo a decir que pareja quedara fuera la semana que viene, porque tampoco se cual es el procedimiento y los bailes que haran.

:)

Bueno, ayer día 2 de Julio se demostró que el jurado está dividido, por una parte el Canales, la Teté y el Poty y por el otro Joanna y Albert. Cada grupo en su onda, el primer grupo disparatado y el segundo con criterios comunes. Aunque todos tienen en común que votan alto a las parejas del programa, extremadamente alto en algún caso.

Ayer pasó lo previsto, se fueron los que más se lo merecían, JOrdi y Maria porque bastante hicieron con llegar hasta donde llegaron y Maria y Marc porque no han sabido interpretar sus temas, el Marc con cara de póker en todos los bailes y Maria, que aunque es rusa, hay MUCHAS españolas que bailan mejor que ella.

Las cuatro previstas están en la final. Ahora está por ver si en Septiembre van Abraham y Amagoya o Pol y Lorena.

A mi me gustan personalmente, por el trabajo realizado para este concurso, Robert y Judit, que creo que son los que más se merecerían estar en Eurovisión.

Pero creo que para competir allí no son la pareja idónea. Creo que habría que enviar una pareja impactante, con presencia en la pista y con carácter. Y de las que quedan, aunque no dominen el estándar, los más fuertes en este sentido son Abraham y Amagoya.

Pol y Lorena se han molestado en cambiar sus coreografías un poco más en los últimos programas, pero sigo pensando que a esta pareja les falta algo, algo que tienen Abraham y Amagoya, sobre todo Abraham, y que ellos no tienen: más interpretación y sobre todo PRESENCIA en la pista. Y eso que ayer no estuvieron muy finos, los vi un poco flojos...

Masha y Nicolás están en la final, y bueno es, se salvan junto con Abraham de que este programa les está poniendo las cosas fáciles a las parejas del programa poniendo más latinos que standard.

En fin, no sé como se hace la selección en el próximo programa, pero pienso que o Abraham y Amagoya o Robert y Judit son los que nos deberían representar.

## Re:Mira quien baila Eurovisión!

Publicado por Muñeca - 03-07-2007 17:13:32

---

Hola

uyyy que bueno se esta poniendo esto ;)

Perfil estoy bastante de acuerdo contigo en lo ke dices, con excepcion de algunos puntos.

Muchos ven a Eurovision como si fuera un campeonato del mundo pero simplemente es un concurso europeo en el que se elige a la pareja que mas gusta al publico -muchas veces adolescente- que vota. sí tiene que tener calidad de baile pero cuantas veces vemos parejas que son una makina bailando y no nos transmiten nada???

Ayer se fueron Marc y Maria y la verdad quede flipada.. pensaba que se iban Nicolas y Masha pero evidentemente al publico les mola y bueno se confirmo la sorpresa.. esta pareja puede dar pelea aunque no creo que sean las primeras opciones.

Rober y Judith son una pareja muy buena en el sentido amplio porque no solo tienen buen baile..tambien dan espectaculo y son agradables los dos pero comparto lo que dices: quizás no sean la pareja mas idonea para ir (robo tus palabras) porque les falta esa presencia que es muy necesaria (fundamental diria yo) en esta clase de concursos.

Abraham y Amagoya me encantaron en el pasodoble para mi fue su mejor baile, y tambien creo que quizás no estaban tan finos como en otras ocasiones (especialmente Amagoya.. la vi como cansada en las piernas , menos alegre que la semana pasada aunque seguramente eran los nervios que me imagino todos tenían). De todas maneras esta pareja es la que mas me atrae porque no solo tienen un gran respaldo en latinos, tambien tienen impacto visual y mucha personalidad.. un no se que ..carisma?.

Pol y Lorena venden mucho.. son hiper televisivos , tienen buena tecnica, buena imagen.

Quisiera comentar que quede flipada de la nota que les dio Albert y Joana en el pasodoble ..si mal no recuerdo les pusieron 2 puntos :unsure: no es por criticarlos porque son los que mas entienden de tecnica pero pense que correrian con mejor suerte.

Pienso que estara entre estas dos parejas , si no hay otra sorpresa como que termine ganando Nicolas y Masha. pero bueno esta es mi opinion. veremos el lunes

Lo que no estoy de acuerdo es en eso de que el jurado da puntaje demasiado alto a las parejas del programa.. yo creo que hay casos como Isaac y Desireé -que el es bailarín del programa y quedo eliminado porque el jurado no les acompaño, para mi no habian hecho un gran programa aunque debieron ser salvados por el publico.

Pienso que tratan de ser lo mas justo posible aunque esta claro que hay distintos criterios en el jurado.

:)

## Re:Mira quien baila Eurovisión!

Publicado por Perfil - 03-07-2007 22:30:12

---

Muñeca, en el caso de Isaac, por lo que tengo entendido, no fué bien puntuado por los jueces porque creo que "no entró por el aro" de alguno de los miembros del jurado. Y ya vimos lo que pasó dejándolos en manos del público. Bien es cierto que Isaac y Desiree también entraron en el programa un poco de "sobrados" y entre unas cosas (el jurado debió puntuar su calidad) y que ellos no se enfocaron bien hacia el público así les fué.

Por cierto, no sé qué les ves a Marc y a Maria, quizás los hayas visto bailar fuera del programa, porque en el programa, para mi no lo hicieron mejor que Trillo e Ingrid, por poner un ejemplo.

---

## Re:Mira quien baila Eurovisión!

Publicado por Muñeca - 04-07-2007 15:34:38

---

Hola Perfil :P

Yo creo que Isaac y Desiree no tuvieron su mejor día, prueba de ello es lo que le sucedió a ella con el vestido, tampoco transmitieron mucho a cámara (y pienso que esa es la clave). en cuanto a lo que "no entro por el aro" de uno de los miembros del jurado: no lo veo tan así porque no se si recuerdas los primeros programas todos los miembros ellos siempre pusieron el énfasis de sus 11 campeonatos y que son buenisimos...etc. el problema que tuvieron es que quedaron en manos de la audiencia-que no siempre vota calidad de baile.

Y en cuanto a Marc y Maria- no es que yo les vea una maravilla, pero son los terceros de 10 bailes y bueno había gente que creía que podían ser una buena selección para este concurso; por supuesto no es mi opinión porque pienso que son muy inexpresivos y en cuanto a baile hay mejores en la competencia.

Igual que tu, no se como será el procedimiento el lunes, me imagino que será como el concurso de los famosos, en cada baile van eliminando a uno hasta que se conoce al ganador

:cheer:

---

## Re:Mira quien baila Eurovisión!

Publicado por Perfil - 10-07-2007 08:35:50

---

Ya tenemos ganadores. Quizás los que mejor nos van a representar por su fuerza y expresión, aunque flaqueen en estándar, aunque ayer no lo hicieron tan mal en el Slow Fox. Enhorabuena para Abraham y Amagoya.

Me sorprendieron muy agradablemente Masha y Nicolás. Han hecho una final realmente impresionante.

En la salsa, creo que Masha y Nicolás han sido los mejores con bastante diferencia. Qué gozada ver a bailarines de latinos de salón hacer básicos de salsa, y aquí incluyo a todas las parejas de ayer. La verdad es que estoy harto de ver a "profesionales" de la salsa, incluyendo a Anita y Adrián pasarse los básicos por el forro.

Pol y Lorena hicieron una salsa excesivamente televisiva, con demasiadas poses, pero eso sí, con unos solos de básicos fenomenales. Se les nota que no bailan salsa de forma habitual.

Cosa que no les pasa a Robert y Judit que incluyeron un repertorio de pasos de salsa como es debido, aunque muy ligths en cuanto a fuerza. Se nota que si bailan salsa de forma habitual.

Abraham y Amagoya fueron los más flojos en la salsa, desde mi punto de vista.

En el Jive, otra vez Masha y Nicolás fueron, desde mi punto de vista, los mejores, buena coreografía y mucha fuerza y energía. Estos sí que fueron a por todas en esta final.

De segundos pondría a Abraham y Amagoya, aunque estuvieron un poco más suaves que en otros jive.

Pol y Lorena, en su línea, los pondría de terceros. Robert y Judit, como siempre, la mejor coreografía e interpretación, pero faltos de energía y explosividad.

Y llega el Slow Fox, y aquí es donde queríamos ver a Robert y Judit en su salsa, pero no me gustaron, iniciaron con una coreografía original pero fueron decayendo poco a poco.

Masha y Nicolás también flojearon en el Slow, aunque hay que reconocer que no lo hicieron mal, se notaba que ellos eran los que más se estaban jugando en esa final.

Pol y Lorena, casi sin despeinarse creo que hicieron el mejor Slow, aunque la indumentaria de Pol no me gustaba mucho. Por cierto, Pol tiene algo en su baile que no acaba de convencerme, y no sabría decir qué es.

Y Amagoya y Abraham lo hicieron muy pasable, lleno de básicos pero con una posición muy mejorada por parte de Abraham, y además lo interpretaron. Bien.

Hasta ahí:

Pol y Lorena:  $3^0+3^0+1^0=7$

Abraham y Amagoya:  $4^0+2^0+2^0=8$

Masha y Nicolás:  $1^0+1^0+4^0=6$

Robert Y Judit:  $2^0+4^0+3^0=9$

Lo que son las cosas, si nos atenemos solo al baile visto en la final, creo que las parejas que tendrían que estar en la misma tendrían que haber sido Pol y Lorena y Masha y Nicolás, pero el público ya todos sabemos lo caprichoso que es.

En el pasodoble Robert y Judit estuvieron nerviosísimos, con varios fallos casi imperceptibles, eso si con una coreografía bonita, pero Abraham y Amagoya estuvieron muy consistentes y como siempre, con muchísima presencia en la pista y creo que han sido los justos vencedores.

También tengo la impresión de que Poty había dispuesto el programa para que ganasen Pol y Lorena o Abraham y Amagoya y casi le sale el tiro por la culata, de hecho la presentadora se sorprendió muchísimo de que el público echase a Pol y Lorena.

En fin, esto ya no da más de si, ahora a esperar que en Eurovisión a Amagoya y Abraham les pongan muchos latinos.

---

## Re:Mira quien baila Eurovisión!

Publicado por Muñeca - 10-07-2007 18:14:16

Hola :P . Igual que Perfil doy la enhorabuena a Amagoya y Abraham, son justos ganadores a mi juicio porque demostraron durante todo el concurso (fueron la pareja que mas duelos ganó en los 4 programas anteriores) el arte, la actitud y presencia tan importante en estos concursos en que es el publico -muchas veces no entendido- que emite el voto.

Para ser sincera pienso que Nicolas y Masha bailaron como nunca, muy entregados en cada baile y me parecio injusto el 4º lugar, debieron estar mas arriba y no me hubiera extrañado que quedaran en 2º lugar pero bueno es sabido que Rober y Judith son muy populares.

Las 4 parejas tenian nivel para ser elegidas , cada uno con su estilo pero todos se merecian la final.

Soy de la opinion de que no debemos fijarnos solamente en como se bailo la final porque como se dice: cualquiera puede tener un dia malo por eso yo creo que no nos podemos olvidar de como ha sido la actuacion de cada pareja durante todos los programas.

Perfil, no entiendo que son esos numeros que pones en medio de tu comentario ;) . Bueno y con respecto a los bailes que haran en Eurovision yo no sé exactamente pero he escuchado que son 2 bailes, 1 obligatorio que es un showdance de bailes caracteristicos del pais de origen (me imagino que haran un mix de pasodoble, sevillanas, flamenco..etc para eso esta el maestro canales para echar una mano :P ) y el otro baile lo elige la pareja. si no entendí mal --por lo tanto como ellos son latinos me imagino ke eligiran un latino.

:)

## Re:Mira quien baila Eurovisión!

Publicado por Perfil - 10-07-2007 22:03:07

---

:-) Esos números son los puestos en que los pondría yo en cada baile. Haciendo de forma parecida a las finales de competiciones de baile de salón, el que tiene menos puntos es el que gana.

Pol y Lorena:  $3^0+3^0+1^0=7$  (SEGUNDOS)  
Abraham y Amagoya:  $4^0+2^0+2^0=8$  (TERCEROS)  
Masha y Nicolás:  $1^0+1^0+4^0=6$  (PRIMEROS)  
Robert Y Judit:  $2^0+4^0+3^0=9$  (CUARTOS)

Por ejemplo, a Pol y Lorena les doy el 3º puesto en Salsa, 3º en Jive y 1º en Slow Fox, en total 7.  
Pero como Masha y Nicolás tienen un 1º en Salsa, 1º en Jive y 4º en Slow Fox suman 6 y al tener menos puntos serían los ganadores de la noche (en mi opinión).

Así es como se puntúa, más o menos, en las finales de los bailes de competición. Luego hay otras reglas adicionales para los empates, pero bueno, sería más o menos así.

La verdad es que ha sido un auténtico placer comentar contigo las jugadas de este programa, Muñeca. ;-)

This will keep muscle tissue well developed and metabolic functions within your body work better. Control to eating places and eateries to avoid re-decorating with colorful Attractive method of producing, the level of meal considerably. You could question the waiter divided percentage, and 50 % to the package, and that means you will consume less while dining bash and have absolutely meals accessible for breakfast every day the following day.

You'll be able to go for high roughage cereal products like oats, poha or hemp wheat for they have low calorie written content. With the selection of fruits, you'll have grapes but do not take an excessive amount this and have red also. Getting spuds as part of your dinner is likewise good but make sure that you made it often baked or boiled for if cooked properly toast it'll contain a lot of fatty acids. Do not ever forget about your water intake, it may be recommended that you just use up normal water instead of ingesting carbonated drinks or you can have melon or grape juices as a substitute. To glow your mood you'll have a compact measurements naughty food for your encourage for any positive things that you've completed.

People who find themselves wanting to lose weight will fight to manage that rapid sturdy necessity for food items that can come about without notice of the day suddenly. You may be motivated to attain out for meals it can be hard to conquer

this sort of feeling often. Does this issue to you? Perfectly, rather than on offer right through the day emotion deprived and unpleasant as you are unable to consume as much as you wish, we have a better still way to that. Actually eat food items that basically allow you to lose weight, suppress hungers and increases your fat burning capacity simultaneously. Your body can be an brilliant residing device who has the power to shield itself from additional deterioration and provocations of misery. When you go hungry you do not be offering fat loss because the body is likely to dwindle to a sluggish metabolic! In the near future you has decided to notice that you will be sacrificing less excess weight, if you take in fewer food items.

Changeable stomach banding is definitely the lowest amount of intrusive, but it runs on the group to divide the abdominal into two pieces. Truly limits the amount of foodstuff, and so calorie consumption, which you'll want to ingest available as one dinner. Additional operations contain sleeve gastrectomy, gastric sidestep surgical procedure as well as biliopancreatic diversion from unwanted feelings. Based on a Fox News Channel segment, wls Washington is approximately much more effective for sacrificing and keeping excess weight away than all other procedures. Personal weight-loss depends on the level of procedure plus the clients beginning bodyweight, time and sexual intercourse. Create a personalized exercise routine - something it is possible to follow -and enlist the organization of any companion or new mum. Start slow: 10-second workout routines really should be attempted primary and after that higher if you sense more confident. Maintain a 30-instant reduce on your exercise time and cease instantly in case you start to experience dizzy or in short supply of breath of air. There are several exercise sessions great for the submit entry into the world period of time to assist you to lose weight just after child.

Prescription drugs that many of us use to avoid disorders can now and again grow to be a source of drug addiction. Product addiction or health professional prescribed drug abuse is the thing that these addictive problems are. It's been around since that time medical practitioners have started off prescribing prescription drugs by crafting it on certificates and it has now be a little more extensive. The start of refill or recurring prescribed makes it possible for sufferers to take advantage a renewed health professional prescribed easily. This lets people to visit the local drug store shop and buying their favorite drug simply by answering their points such as their title, get in touch with handle plus the drug they would like to acquire. Do it again solutions are often brought in as plan lately. Medical practitioners only warning the doctor's prescription devoid of looking at the necessity of it. If a affected individual wants extra replicate medications, it is the job of the consulting physician to professionally examine treatment all over again. Physicians these days are will not seem to cherish these complaints. drug rehab centers "it CAN achieve" offered simply by Napoleon Mountain (I do think this particular key phrase was initially paraphrased within the Scriptures, wise phrases all the same and incredibly correct) People have a variety of tips with regards to Boston drug rehab stores

Drug treatment and remedy focuses suggest another opportunity rather than just from your downfalls of drug reliance. Growing treatment via rehearsing day-to-day determination as well as a commitment to considerable located, presents vibrant adults a improved interest for lifetime. The first element in useful drug treatment is organic seclusion. It's not exceptional to send drug or alcohol abusers to getting on educational facilities, wherever there're cut off from your appeal to beverage or do drugs. Some therapy centres take it a step more, giving locals while using satisfaction to become in wonderful surroundings. An approach that is certainly somewhat powerful but harmful and psychologically challenging

A new

All offers and gives needs to be held up by related reports. So continually like these kinds of records which are published on bank's correspondence-head showing night out, specific interest rate, before-transaction costs, handling fees along with curiosity schedule. Recheck all terms and conditions prior to signing any document. Don't give any false information no matter what as it will likely be deemed as scam and can even enable you to get having problems. Collateralized Personal Loan- Since the label per se advises, it is actually backed by some equity. Usage doesn't get utilized in the financial institution nevertheless the second item obtains the authority to consider the investment, in case payment is just not earned in value of loan. Credit card Personal Loan- This style of loan is backed by no collateral. Mortgage lender gives cash by trustworthy in your a favorable credit record and transaction heritage that you'll give their money back in upcoming. payday loan Should you have below-average credit, you'll pay an increased interest rate. Unsecured loans absolutely are a risk when you've got below-average credit nevertheless, you private a substantial property say for example a residence or car or truck. To acquire a attached loan you need to put up the advantage as security, therefore you hint legal contract. In case you default in your loan obligations your lender can officially acquire your advantage - your house or car. For the reason that guaranteed loan is supported by one thing worthwhile, home interest rates are less than unsecured finance. Although you may have less-than-perfect credit you could possibly get a collateralized loan maybe a next mortgage or property equity loan. The lending company will examine your financial plans and assessment your credit track record previous to determining to provide you with a loan and figuring out how much interest to cost. Better your credit history, the low pace payable.
