
CAMPEONATOS GALLEGOS,... Y OTRAS COSAS DEL MONTON

Publicado por Pablo Chao Ramil - 10-07-2008 23:22:45

Hola chicos/as (ahora que estamos peleando por la igualdad),,

bueno,... con ánimo de que esta petición llegue al mayor número de gente posible, os transcribo un mensaje que acabo de dejar hace unos minutitos en el foro de lbailamos:

Hola a todos.

He titulado mi post comoES CURIOSO... por los siguientes motivos (entre otros por los últimos comentarios de este tema y por alguna cosa más):

- Porque, en primer lugar, es curioso que todo el mundo sepa que en Galicia se va a celebrar un Campeonato gallego de 10 bailes (perdón, todo Galicia parece ser que no, parece ser que es cosa de "privilegios"), e incluso algunos sepan la fecha y el lugar.

Pero más curioso es aún que los que no lo sepan oficialmente sean los miembros del Grupo de Trabajo (a excepción del Delegado Territorial, lógicamente) ni los socios de BADEGA (Asociación Galega de Baile Deportivo), que en teoría es la asociación representativa del baile en nuestra comunidad.

Y digo que es curioso porque, se supone, que las decisiones que afectan a todo el colectivo de bailarines de la comunidad deberían haberse tomado en conjunto por los representantes de los mismos, y no unilateralmente, como es el caso. Y más, cuando después nos dedicamos a venderles a las entidades y organismos públicos, y a anunciar en los carteles de las competiciones que el campeonato está avalado "...por la Asociación Galega..." (salvo que con esta asociación se esté refiriendo a su "Club privado" porque que yo sepa a de todos no ha dado tal consentimiento).

Por cierto, "colectivamente" se aprobaron 6 normas de obligado cumplimiento para los participantes de los campeonatos gallegos... !!y 3 de ellas se han infringido arbitrariamente!!!ES CURIOSO.

- Y ya saliéndonos un poco del tema, me resalta muy curioso la cantidad de tiempo que le dedicamos a determinar si el pelo nos queda mejor con la gomina del Eroski o con la de Lady Grecian... y lo poco que nos preocupa que el baile en Galicia no sea un deporte "...nin trazas de selo como sigamos así..." ,.... ES CURIOSO.

- También es curiosa la premura con la que enviamos mensajes al Grupo de Trabajo cuando se trata de salvarse el culo a uno mismo, o cuando nos llegan traslados de quejas a la AEBDC sin el mas mínimo fundamento,... y lo que nos cuesta dar respuesta a la petición de una REUNIÓN URGENTE por parte de, como mínimo, tres miembros del grupo.

...todo esto es bastante curioso, verdad.

Yo, por mi parte, sólo espero que algún miembro del Grupo de Trabajo pueda leer este mensaje, y si no es así, que alguien se lo comente y que a la mayor brevedad posible se convoque una reunión del mismo para tratar de avanzar en la consecución de los objetivos que hace ahora cuatro años se marcaron, y tan bien nos expusieron en aquel folleto de la competición de Pontevedra (lo recordais), porque de no ser así,... sería muy pero que muy curioso.

Un saludo a todos y hasta pronto...

Hola a todos:

A todos los que vais a leer esto para ver si aporta algo interesante, a los que esperan que de aquí no salga más que una protesta infundada o alguna salida de tono y a aquellos como Miguel que ya han manifestado que directamente no leen mis mails, reitero, hola a todos.

Se perfectamente que no soy del agrado de muchos de vosotros, pero también se positivamente que si lo soy de algunos, aunque no se atrevan a decirlo y, por ello, es por lo que aún no me limito a desaparecer y entrar en una política de "dejar hacer". Además, visto el alto grado de participación que hubo en la reunión del otro día... casi os conviene tener a media docena de ruidosos y no a dos docenas de silenciosos.

Después de esta estupidez de introducción (siguiendo con el vocabulario habitual de Miguel que, sin duda se estará

divirtiéndome en este momento) paso a hacer una sentida reflexión sobre la reunión del otro día, y como no quiero extenderme más de lo estrictamente necesario, no sea que os de sueño y decidais no acabar de leer este post, analizaré lo ocurrido de manera esquemática:

1) Teníamos un orden del día: el nombre no es casual, se llama ORDEN, lo que implica que cuando empieza la reunión, debemos seguir los puntos en el ORDEN establecido, y si no os gusta, el momento de protestarlo es cuando se redacta el citado ORDEN. Si bien es cierto que no parece algo importante, si lo es, puesto que la importancia de los puntos a tratar en un día, debe de ser el criterio a tener en cuenta a la hora de diseñar una reunión, pasando de los más importantes a los más supérfluos, pero aquí nos encontramos con un problema añadido, es más importante aquello que Pablo y en este caso Yo, consideramos crucial, o solo lo es si Miguel Abreu no dice lo contrario.

2) ¿Qué nos ha pasado? Ahora tengo que tragarme la lapidaria frase de Miguel de que si no hay competiciones no hay baile en Galicia. Hace un par de años recuerdo a Rober indignado por tener que pagar el seguro deportivo y diciendo aquello de: La AEBDC lo único que puede hacer contra nosotros si no pagamos es echarnos del Ranking, su famoso ranking, pues me da igual, a lo mejor lo que teníamos que hacer era crear nuestro propio ranking, y funcionar por libre", y ahora sin embargo uf... nos echamos a temblar por que a Vañó se le hincha la vena y se pone de malas con Galicia. Si bien es cierto que yo, JAMÁS HE ESTADO DE ACUERDO CON IR POR LIBRE, no puedo entender que vuestras prioridades cambien con tal radicalidad (que os recuerdo, que el radical e irracional aquí soy única y exclusivamente yo, no me quiteis el papel) Rober, confieso que te he echado de menos, siempre he disfrutado de tu moderación y tu racionalidad, y también aprovecho para decirte que espero que lo que te llevó a tener que marchar (no voy a entrar en detalles por respeto) se solucionase y todo te vaya bien.

3) Llegados a este punto: Estuvisteis a punto de echarme allá por Marzo de 2007, tras aquel aquelarre en el que me esperasteis a mi, y a Secundino (que no estaba presente) tuve varias conversaciones con Román, Miguel y Rober y, finalmente, aún hoy es el día en que nadie me ha comunicado si sigo dentro o estoy fuera. Veamos, este es un detalle menor, pero no carente de relevancia, pues es una muestra más de como al final, nuestra falta de respuesta hace que se nos pase por encima con facilidad, cuando llegué el otro día me ofrecisteis una silla en el teatro, por lo que supongo que estaba dentro, y, como ya os dije me encanta, pero esto no va a poder ser o al menos no como alguien presente en todas las reuniones, lo que no significa que os vayais a librar de mi tan fácilmente... Bien, dicho esto, Miguel por aquel entonces, me pedía confianza plena para poder seguir, y yo me pregunto, ¿debo yo fiarme de alguien que, pertenece a la junta directiva de la AEBDC, y que dice que no es necesario informarme de nada de lo que ocurre allí? ¿debo yo fiarme de alguien que lidera la Futurible Federación Gallega por la que estamos trabajando cuando su idea fundamental es que todo lo que hemos hecho, clubes, reuniones, excisión de gimnasia... ya es para el secundario por que ya se supone que desde la AEBDC nos lo van a solucionar? ¿debo yo fiarme de alguien que no duda en insultar a la gente que va a las reuniones a proponer puntos de vista diferentes como ya me había insultado a mi en su momento? Creo que eso no es demasiado compatible.

4) Ahora, siguiendo la línea de Javier, al que sin ningún pudor osasteis vapulear por decir lo que todos pensais os pregunto otra cosa: Carlos, estimado nuevo secretario: ¿Es tan difícil pensar que una competición está amañada? (uf... lo que ha dicho, que se vaya, que lo echen a los leones, Ave Abreu morituri te salutan!!!) Si lo se, esas son cosas mias por que soy un puto notas y por que no se lo que es trabajar y siempre deconfio y las cosas no son siempre como uno quiere bla bla bla bla bla y que hay que entrenar más bla bla bla lba... pura demagogia, sobre todo esta última frase en la que dais por hecho que solo vosotros entenais. Retomando CARLOS: ¿recuerdas nuestra conversación de la tarde del pasado domingo en Guadalajara? "¿qué tal va? -bueno hoy mejor ayer mal, bailamos mal y tal... -No Carlos, me refiero como escuela, por que a nosotros nos ha ido como el culo y lo peor es que no me puedo quejar, por que mi gente bailó como el puto culo. -A nosotros tambien, fue una competición muy CASERA" Hostia, no me lo puedo creer, va a ser que no soy el único que piensa que A VECES, las clasificaciones no responden a la realidad ¿o es que acaso cuando decias que la competición había sido casera te referias al clima familiar que reinaba en el ambiente? Dejaos de demagogias y llamadle a las cosas por su nombre, echadle arrojios de vez en cuando, que tampoco pasa nada.

5) Vale, supongamos ahora que yo no estoy conforme con una clasificación, ¿significa que si un alumno mio es cuarto por que yo no esté conforme con que sea cuarto necesariamente tendría que ser primero? NO SEÑORES, NO a lo mejor pienso que tendría que ser segundo o tercero. Pero como vosotros sois los poseedores de la verdad infinita ya sabeis en todo momento lo que estoy pensando, y despoticais por que en un determinado momento un gesto SACADO DE LA PELÍCULA "HOOK, EL CAPITÁN GARFIO" os hace mucho daño y es antideportivo y va contra el Fair Play, YO CREO que va más contra el Fair Play, tener en la competición a Dirk Heidemman, y os lo advertí antes del campeonato, y os recuerdo que habíamos quedado en que si algún juez nos molestaba especialmente, este sería retirado, pero no lo hiciste Román, empleaste tu sutil retórica de "no tenemos especial interés en que esté"... y yo me chupo el dedo. Veis, en este caso, si alabo la reacción de Miguel, que nos dio una lista de jueces (que me pueden gustar más o menos) y nos dio la opción de elegir, enhorabuena Miguel, lo que es, es. Y me acusais injustamente de no respaldar los campeonatos gallegos: debería recordaros que, habíamos quedado en que era de tipo Open e íbamos a promocionarlos en las escuelas haciendo que participase todo el mundo, creo recordar que en Adulto, no participó ni dios de la D y la E, es más, a lo mejor me equivoco, pero fui el que más parejas de esa categoría aportó, y si no es así, desde luego soy el que más aportó proporcionalmente a la escuela, puesto que es cierto que somos 7, pero aporté a los 7, cosa que no ha hecho ninguno de vosotros, el único que no bailó en Narón fui yo, por que estaba en pleno post operatorio y no sabeis la pena
