donde podrán conocer al cantante caribeño revelación en España, José Luis Morán, y a la salsa candela que hace pues en dicho artículo hay unos videos "en vivo" de actuaciones en Galileo Galilei y Heineken de Madrid. Comienza la gira 2007 con el concierto/show "Comenzó La Rumba 2007" el 13 de Abril en la Sala Galileo Galilei a partir de las 21.30 horas y de allí seguimos la rumba y el baile en la Discoteca Ramdall de Ferraz 38, Madrid.

No se lo pierdan amigos porque este hombre y su banda van a sonar mucho desde ahora y ya es considerado, por distintas webs salseras, como el punto de referencia de la Salsa en España pues vive aquí con nosotros, no viene y se va sino que convive con nosotros aquí en España.

"Rafa" Guardiola y Patricia además de Beatriz y Mislady forman el cuerpo de baile que les impedirá quedarse quietos el 13A en Madrid.

Y recuerden "El septimo dia Dios creó La Salsa.....solo entonces descansó"

Un abrazo a todos;)
