En todos los lugares pasa lo mismo, cada vez hay menos sitios en donde bailar, e incluyo a todos los bailes, no sólo la salsa. Ya no quedan salones de baile en los cuales uedas bailar tanto un vals como un pasodoble, un tango o una salsa. Y esto no ocurre sólo en España, en San Juan (Puerto Rico) los salseros temen la desaparición del género por el cierre de clubes y el éxito del reguetón. Para leer más pinchar en:
